Product Catalog 2026

A woman is shown in profile, facing left, against a dark background. She is wearing a light blue headscarf and a white, long-sleeved dress. She is holding a long, thin chocolate bar with a textured surface and is taking a bite. The lighting is dramatic, highlighting her features and the texture of her clothing. In the top left corner, there is a dark brown rectangular area. Below the section header, there is a thin white horizontal line.
